The compartment contains 6 drawers provided with 2 spirals for dispensing mini-snacks that can be combined with the selected beverage. For tea lovers, the spirals can also dispense different types of tea bags.

## TASTY BEVERAGES LIKE IN A COFFEE SHOP.

### 4 TYPES OF TOPPING

Thanks to the topping kit, LEI2GO can offers drinks enriched with numerous high-quality products, such as: chocolate chips, choco pops or muesli.

### 2 TYPES OF SYRUP

In addition, through the dedicated kit, this machine can provide different types of syrup, such as caramel, vanilla and many other delicious flavors.

### 2 SIZES OF CUP

Users can choose between two cup sizes for their beverages: standard and XL.

## VENDING INTERACTIVE.

- FULL HD technology for displaying high resolution images.
- Selection interface with monitor 32" and touch screen technology able to play multimedia contents.
- Appealing and intuitive menu with picture products, descriptions and ingredients for a consumer awareness.
- Digital signage to emphasize the customer experience with the publication of videos, news or special communications.
- Easily management of multimedia contents and configuration thanks to the innovative platform WinConfigTouch of Bianchi, the new Windows application.

## CUSTOMISABLE DESIGN.

The neutral aesthetic appeal of LEI2GO facilitates customisation: the smooth surface enables stickers to be affixed easily and makes the vending machine versatile and adaptable to any environment, especially in public places like motorway service stations, shopping malls, airports and cinemas.

## COMMUNICATION AND CUSTOMIZATION.

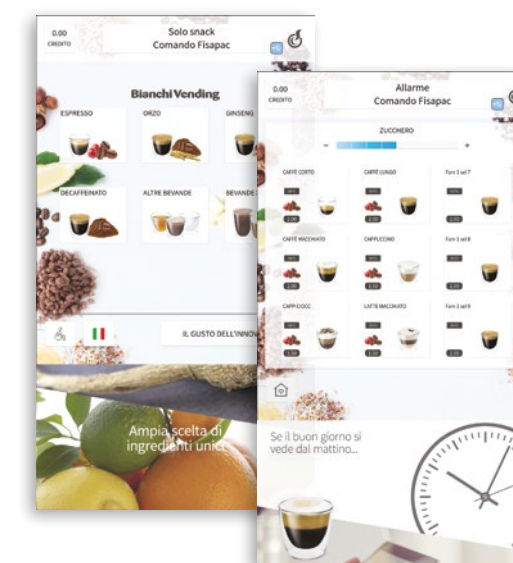

The machine interacts with the users, helping them choose the product they want, offering a simple, pleasant experience.

**EXTENSIVE OFFER.** Up to 6 different product families can be configured, each associated with up to 9 selections.

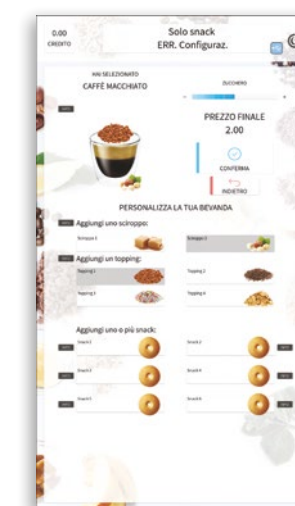

**CUSTOMIZABLE DRINKS.** Customizing your drink has never been so easy. After making your choice through the 32" touchscreen, the user is guided by the GUI along the entire shopping process, from choosing the favorite topping to customize his drink to the choice of a tasty mini snack to complete his break.

**NUTRITIONAL QUALITIES.** Selections can be customized by organizing them in product families associated with common nutritional attributes. In each family the user can select the product desired and view all the nutrition information.

**HIGH QUALITY VIDEO.** The FULL HD technology used in our monitors will accommodate high quality images and promotional or information videos, drawing the user even more powerfully into the consumer experience.

**01. CHOOSE**  
the consumer can choose up from 3 to 6 family of hot beverages (up from 6 to 9 selections for each family) and 2 menu

**02. CUSTOMIZE**  
The beverage can be customized with topping and syrups

**03. ADD A MINI SNACK**  
The break can be enriched with a tasty mini snack

## IN SHORT: WIDER SELECTION, MORE SATISFACTION.

The LEI2GO TOUCH32" boosts satisfaction.

- The touchscreen offers a more engaging experience.
- The two cup sizes cater to everyone's needs.
- The choice is increased by the options for enhancing the beverages by adding chocolate flakes, muesli, syrups and much more besides.
- The practical lids allow you to drink on the go, while the mini-snacks will satisfy even the greediest.
